

Replace obsolete electronics and solve other problems by upgrading your RTI equipment with the latest technology.

Our technical consultants will help you modernize your equipment with RTI warranties for much less than the cost of a completely new machine. Many upgrades can be done onsite to save you even more money.

Call or email us with the serial number of the machine and one of our factory technicians will discuss your upgrade options.

Lipsner Smith
 Film Cleaning Systems

Some older Lipsner-Smith machines can be modified to improve cleaning and reduce fluid costs.

RTI Film Scanners and Recorders...
 designed by
IMAGICA
