

Equipment Budget Limited?

Need used equipment? Only RTI can offer you a range of attractive options and upgrade opportunities at exceptional prices to give your equipment a long, productive and economical life.

If you are considering used film laboratory or archive equipment there is a great way to avoid making a very expensive and dangerous mistake.

RTI CERTIFIED PRE-OWNED EQUIPMENT

RTI is always able to make a very competitive price offer for whatever you need, and guarantees every machine.

OTHER REASONS TO BUY FROM RTI

- All equipment sold by RTI is checked and certified by factory technicians who know the equipment and the technology better than anyone else.
- All equipment either comes with a factory warranty, or can be offered with one as an option.
- RTI Film Group has a reputation for honest and fair dealings, and will not jeopardize that reputation.
- We will continue to support the film industry for many years to come, with operator and maintenance training programs, extensive parts inventories, extended warranties, technical advice and trained technicians ready to support you worldwide.
- Limited quantities — Call or e-mail us for prices and availability. Enjoy substantial savings on RTI gently used and certified factory reconditioned products.
